
Magic

Watch the video. Make notes as you watch. The magician will show you how the tricks are done. When you have looked at them carefully, form small groups and practise performing the tricks. When you have practised, you will be asked to put on a magic show in which each group will perform in front of the class.

Here are your guidelines:

- Choose one person from the group to act as director. This person should organize the show.
- Nobody should try to do every trick. Divide the tricks up between the members of the group.
- Plan a running order for the show.
- Time each trick.
- Choose someone to act as compère for the show.
- Plan and write some lines, which will be said by the compère at the beginning and end of the show and between each trick.
- When you are performing, face the audience, try to be confident, smile and speak clearly.
- Have a laugh – this is meant to be fun.
