- ▶ 2. Now compare your reports with those of other people in the class. Where they the same? If, not how did they differ?

- ▶ 3. Think about the woman in the video clip. From what you saw:

- Can you work out what she was thinking? If so, explain how.
- How did she behave?
- Why did she behave this way?

Now watch the second video. Make notes as you watch.

- ▶ 4. You have now seen two versions of the same event. In what ways, if any, have you changed your mind about what you saw?

- ▶ 5. Explain why you did or you didn't change your mind after watching the second video. Did you think you had already judged boys when you first watched?

- ▶ 6. Name some situations when you need to clearly remember what you have seen.
