

Directions

Listen to the audio clip.

Directions

- ▶ 1. You will hear ten sets of directions based on places on the map. In each case, follow the route carefully and in the table below write down where you have ended up.

Work in small groups to complete the following tasks.

- ▶ 2. Discuss the instructions in the audio clip. Why were some easier to follow than others?

- ▶ 3. Based on your discussion, draw up a list of guidelines for giving good, clear instructions.

- ▶ 4. Take turns to give instructions from one place to another on the map. Others in the group should follow the instructions and see where they end up. If you do this well, everyone should end up at the correct place!

- ▶ 5. Discuss how well you have learned to give clear directions. Where did you end up?
