
Road safety

Watch the video then answer the questions. Make notes as you watch.

- ▶ 1. What is the main cause of casualties for teenagers on our roads?

- ▶ 2. How often does Russell admit to walk while chatting away on his phone?

- ▶ 3. How often is a teenager seriously injured on London's roads?

- ▶ 4. You're told to look after yourselves at the end of the video. Make a list of ways you can do this as a pedestrian.
